SPECIAL NOTES.

AT A MEETING OF THE BOARD OF DIRECTORS of the Panama Railroad Company, held September 18, it was voted to call a general meeting of stockholders on October 10, at 11 o'clock, in the rooming house of Edwin Bartlett, one of the oldest members of the Board.

WILLIAMSON, the following preamble and resolutions, offered by William H. Aspinwall, were unanimously adopted:

In the confidence of God, we miss to day long tried and valiantly striven. By a sad coincidence, we are informed at the same in mind that the Panama Railroad has had a century and a half existence, and that one of its founders is ready to die.

Mr. Bartlett was one of the promoters of this enterprise. In its early days he labored well, and at the time of our country's personal indifference with London capitalists that first loan was negotiated, and he has been from the origin a most zealous member.

With the view of recovering our high appreciation of his worth and services it is moved that the sum of \$10,000 be appropriated for his expenses, and that the President be requested to transmit to the family of the deceased this expression of our regard and sympathy.

John P. Joy, Secretary.
